

WELCOME TO UPWARD BASKETBALL!

By partnering with local churches throughout the country and around the world, Upward Sports has become the world's largest Christian sports organization. Our desire is to provide the **best sports experience** for every child - including yours. A large part of doing so is making sure you, the parent, receive timely and accurate information. Below are answers to questions you may have as you begin your season with Upward Basketball. Also keep an eye out for additional information created especially for you that will be included among your child's sport-specific items.

WHAT IS THE PURPOSE OF UPWARD BASKETBALL?

- › Upward Sports aims to provide the best sports experience for your child. By best, we mean that at the end of the season, we want you to be thinking, "That is exactly what I wanted my child to experience." From the skills and drills, to the lessons on life, to the game-day experience, your child is the focus of what we do.

WHAT IS THE PROCESS THAT YOU WILL USE TO PROVIDE THE UPWARD SPORTS EXPERIENCE TO MY CHILD?

- › Our volunteer coaches are trained to focus on your child's experience and development. They will equip each child with the athletic skills needed to participate at the next level as well as stress values like sportsmanship, teamwork, integrity and respect.
- › Coaches will focus on fundamentals, rules of the game, game-time experience and opportunities to improve for each participant.
- › During each practice, coaches will share values for life that are biblically-based.
- › Coaches will use a unique substitution system assuring equal playing time over the course of the season and opportunities for each player to be in the starting lineup.
- › Fun and competitive games result from equally matched opponents.
- › Upward Sports' unique rules insure that your child has an opportunity to play hard, enjoy the games and improve each week.

- › Upward Sports has worked hard to deliver messages that teach values for life. These life lessons are applicable to people of all backgrounds.
